Re: Contract N62470-77-C-3299, Installation of Dimmers for Fixed
Optical Landing Systems, Naval Air Station, Oceana, Virginia
Beach, Virginia

Gentlemen:

The subject contract, recently completed by your firm, was performed in a highly professional and expeditious manner. Quality workmanship and timely performance are two characteristics that are not often attained simultaneously in today's construction industry. However, your performance on the above contract is a clear indication that this can be accomplished and is an outstanding tribute to your own management and construction efficiency.

It is with great pleasure that I extend my appreciation to your firm for a job well done and look forward to your participation in future construction contracts.

Sincerely yours,

E. J. LOWERY, JR.
LCDR, CEC, USN
Officer in Charge of Construction
