Re: Contract N62470-90-C-4401, Repair of 800 Foot LF Antenna, NRTF,
Driver, VA

Gentlemen:

I would like to express my sincere appreciation for a job well done in completing the referenced contract. Your efforts in performing work under adverse weather conditions and irregular activity operating schedules were nothing short of outstanding. Of particular note was the superlative performance of Mark Hampton and Jerry Carson. These gentlemen persevered through the trials and tribulations of the contract yet produced a high quality product.

Please pass on to Mark and Jerry our personnel appreciation for a job well done. The working relationship between this office, your representatives and the using activity has been one of cooperation and a mutual desire to complete this contract in a quality manner. Thanks to Austin Electric Company, this contract work was a total success.

Sincerely,

BARRY S. ROBERTSON, P.E.
Deputy Officer in Charge
of Construction
